Your ATNI Embassy

Welcome to the ATNI Embassy Project Survey!

Affiliated Tribes of Northwest Indians (ATNI) is embarking on an exciting project to create a new, welcoming, and collaborative space in Portland at 407 NE 12th Avenue. This new space will serve as the heart of our organization. Your input is essential in shaping this building into the optimal headquarters for ATNI, where member Tribes can gather, share knowledge, and strengthen our collective goals of self-determination and cultural preservation. The ATNI Embassy belongs to the ATNI Member Tribes- this is *your* building!

This survey aims to gather feedback to ensure the use of space and design concept aligns with the diverse needs of our members. We are committed to creating an environment that is not only functional but also culturally representative and accessible, including ensuring ADA access for visitors of all ages and abilities. Your responses will help guide the development of a space that fosters collaboration, innovation, and connection among member Tribes, as well as an inviting environment for our partners and the ATNI community.

Thank you for contributing to this important initiative. Your voice will help us build a place that truly reflects the values and aspirations of ATNI and its member Tribes. We look forward to hearing your thoughts!

After completing the survey, you can enter a raffle to win a \$50 gift certificate from Bison Coffeehouse!
